### *Other Resources:*

- **The Blue Parakeet: Rethinking How You Read The Bible by Scot McKnight**  
This book has a section on responding to the "women be silent" passage and is a great book about the importance of learning the overall Story Line of the Bible.
- **Navigating The Genesis Question by Hugh Ross** (available at [www.reasons.org](http://www.reasons.org)) & **The Lost World Of Genesis One by John Walton**  
Both these books explore the early chapters of Genesis and the Creation Account. They show how science and the Bible are not in conflict when looking at the original meaning of Scripture about the creation story.
- **God Behaving Badly: Is the God of the Old Testament Angry, Sexist and Racist? by David Lamb**  
A very easy-to-read book, exploring the difficult passages of the Old Testament.
- **Is God a Moral Monster?: Making Sense of the Old Testament God by Paul Copan**  
A more academic book about this topic. It's very thorough and goes into many of the things that were raised up in the message.
